

Salvation and Discipleship (Part 2)

Luke 14:25-33

(14) Every believer measures up to the full demands of God's righteousness in Christ (2 Cor. 5:21). Believers often do not measure up to the full demands of discipleship (Luke 14:25-33), but we press on (Phil. 3:13-14). (15) *With salvation* the emphasis is upon **what God has done** (1 Cor. 15:3-4). *With discipleship* the emphasis is upon **what man must do** (Luke 14:25-33). (16) *The focus of salvation* is upon the finished work of Christ (1 Cor. 1:18). *The focus of discipleship* is upon the inerrant Word of Christ, His teaching (John 8:31). (17) *Salvation* is God's commitment to His Word based on the work of His Son (Rom. 3:24). *Discipleship* is the believer's commitment to Christ's Word based on his relationship to Christ (John 6:68). (18) *The saved person* is a **saint** (1 Cor. 1:2), perfectly set apart and holy in Christ (a position shared equally by all believers). *The disciple* is a **student** (Matt. 11:29). Some believers are better students than others, and not all get the same final grade at the judgment seat of Christ. (19) *The invitation to salvation* is "**Come unto Me**" (John 6:37; Matthew 11:28). *The invitation to discipleship* is "**Come after Me**" (Luke 9:23). (20) *Salvation* requires obedience to the command to believe (1 John 3:23a; John 3:36). *Discipleship* requires obedience to all of Christ's commands (Matthew 28:19-20). (21) *Salvation* is the sinner hearing His Word and believing on Him (John 5:24). *Discipleship* is the saint sitting at His feet and hearing His Word (Luke 10:39). (22) *The sinner* must not try to fulfill the demands of discipleship in order to be saved. This would be salvation by works. *The saint* seeks to fulfill all the demands of discipleship because he is saved. He is saved "unto good works" (Eph. 2:10).
