

Assurance and Security

(John 6:32-40)

There is a difference between **security** and **assurance**. A believer in Christ has **eternal security**. He is safe and secure in

Christ forever. We are in Christ's and in the Father's hands, and no one can pluck us out (John 10:28-30). Nothing will ever separate us from the love of God (Rom. 8:38-39) and there is no condemnation to those who are in Christ (Rom. 8:1; John 5:24). Our **security** is based on the Person and work of our Saviour, who promised us that we would never ever perish (John 10:28). **Assurance** is subjective and involves the believer **knowing** that he is saved based on the statements and promises of God's Word.

A traveler in pioneer days came one winter night to the banks of a wide river. He had to get across but there was no bridge. The river had a cover of ice but he did not know how safe it was. After much hesitation he gingerly tested it with one foot and it held. He fearfully and anxiously crept out on all fours, hoping to distribute his weight evenly on the ice. When he had gone some distance slowly and fearfully, he suddenly heard the sound of horse hoofs and singing. There in the dusk was a man happily driving a wagonload of coal across the ice, being pulled by a muscular horse. The man was cheerfully singing as he went. He knew the ice was safe and he had no fears. Both of these men were absolutely safe on that ice. The ice was thick and solid. One man was in **fear and doubt** because he did not know how safe he was. The other man enjoyed his ride across the frozen river and knew the ice was thick.

God wants us to have joyful assurance and be **know-so believers**, understanding how safe we are in Christ!
